

# THE DAN TEAM

"Nineteen years ago a crack commando publicist was born in Somerset. Educated in that county for a crime he didn't commit. This man promptly left from a maximum-insanity school to the Los Angeles underground. Today, still wanted by the government, he survives as a publicist of fortune.

**If you have a problem, if no one else can help, and if you elect him, maybe you can hire the DAN-Team."**
